

QUALITY POLICY STATEMENT

It is the Policy of P A Collacott & Co to provide a high quality, professional and efficient service in order to ensure the satisfaction of all interested parties. This Quality Policy Statement will result in securing efficiency, a strong customer focus including consideration of the needs of all relevant interested parties in respect of climate change. and the enhancement of long-term sustainability and profitability within the business.

Senior management will show leadership and commitment and acknowledge responsibility for establishing, implementing, integrating and maintaining the Integrated Business Management System (IBMS). The Company undertakes to ensure that sufficient resources are made available to achieve this.

It also undertakes to ensure through communication, engagement, practical example and training that Quality is the aim of all employees of the Company.

Through direction and support, each employee will have a proper understanding of the importance of the IBMS, their responsibility to contribute to its effectiveness and its direct relevance to the success of the Company.

Attention will be focused on the following sections.

Fire Safety- The company ensures all system installation comply with fire safety and current regulations for fire detection systems and emergency lighting systems including the use of fire-resistant materials and fixings.

Design- all electrical systems will be designed to meet current legislation including BS7671, BS 5839 and BS 5266. The requirement of the Building Safety Act will be implemented.

Material choice, all elements will be selected to meet the needs for fire safety, integrity and to guarantee stability over the life of the building.

The Company has a Policy of promoting continual improvement and setting of quality objectives in line with the framework laid down within the ISO 9001:2015 Standard. These objectives will address the risks and opportunities within the Company, as determined by senior management.

The Company hereby certifies that the scope of the IBMS and all associated documentation accurately describes the QMS in use within the business such as to meet the requirements of ISO 9001:2015 and all other necessary requirements.

The Directors of P A Collacott & Co endorse this Quality Policy Statement and that responsibility rests with them to ensure that it is communicated, understood, implemented and maintained at all levels within the business and ultimately that it achieves its intended outcomes.

Signed
